Declarations of Interest

Members are requested to indicate at this stage in the proceedings any items on the agenda in which they intend to declare an interest. Members are reminded that if the interest is a Disclosable Pecuniary Interest (as defined in the Members' Code of Conduct) they must leave the room for the whole of that item. If the interest is not a Disclosable Pecuniary Interest, but is such that a member of the public could reasonably regard it as being so significant that it is likely that it would prejudice their judgment of the public interest (as explained in the Code of Conduct) then they may make representations, but then must leave the meeting for the remainder of the item. Councillor Shaun Bradbury declared a personal interest in the issue with the fence at St Paul's Play Area.

Neighbourhood Policing Team Update

The Neighbourhood Policing Team and Deputy Police & Crime Commissioner have been invited to attend the Parish Council meeting or to provide a report on issues in the local area.

PC Robert Walker advised that a part-time PCSO has joined the team.

There is an abandoned property on Croston Road which is causing issues, but the Policing Team is aware of this. ASB has been reported on the Farington Park with youths having knives.

Chair.....

Date.....

Also ASB on St Paul's Park has been reported which PC Walker is working with the Inspector to control this issue. The beat division has been advised by PC Walker.

There have been no reports of knives in Leyland Central so far.

A member of the public advised several calls have been made to the police regarding youths with machetes travelling from Seven Stars through Leyland to the Park, but there has been no response from the police.

A member of the public advised that there had been an assault on a child, on School Street, on a Monday and although this was reported there was no response until a face to face meeting was held on the Thursday. PC Walker advised that due to very limited resources and the need to react to main incidents, there is a need to evaluate the risk versus the threat, and unfortunately the police cannot respond to each and every incident. PC Walker advised that he will interact with the Officer in charge. School Street was mentioned as an area for drug dealing. PC Walker advised that intelligence is required before the police can make a case to take forward to magistrates. Members of the Public utilising Crimestoppers and In the Know is very helpful.

PC Walker was asked if further police officers are being recruited. He advised that as far as he is aware there is no current ongoing recruitment.

Councillor Paul Wharton-Hardman advised that the 1 officer is very responsive and over the 10 years, he has lived in Farington, the last 7 as a South Ribble Borough Councillor, it has been a very pleasant place. However, over the last 2 to 3 years of having received 1 or 2 emails a week regarding crime in the area, it is now more than 5 per week. The question is what can be done to reinforce Policing in the area? A member of public advised that at the Farington Conservative Club youths are often on the Bowling Green Roof. PC Walker advised that he is working with the Bowling Club Manager to resolve these issues. Work is ongoing to provide deterrents. The youths are just looking for somewhere to go.

Councillor Shaun Bradbury advised that there have been issues with youths on St Paul's play area. A member of the public has spent over 30 minutes on the phone to the police without any response. The Parish Council are about to spend a substantial amount of money on the play area. There is no criticism just a recognition of a lack of resources for the police. PC Walker is aware of the issues.

Councillor Karen Walton advised of speeding issues from Tardy Gate to the roundabout. PC Walker advised reporting to the 'Safer roads partnership' and also advised he would make PC Suffolk aware.

It was noted that ASB is fire-fighted rather than tackling the root of the problem, intervention and providing alternatives for older teenagers is the real solution. PC Walker advised that this is a great idea and most welcome. Councillor Karen Walton stated that there is no provision for Children. PC Walker advised that in the main local Rugby and Football Clubs have tried to engage with local teenagers but that there has not been much of a response.

Councillor Michael Green thanked PC Walker for his attendance at the meeting.

Councillor Michael Green invited Deputy Police and Crime Commissioner Andy Pratt to update the Parish Council.

Chair.....

Date.....

Copies of the Policing Plan were provided. Deputy Police and Crime Commissioner Andy Pratt advised that there are 5 main areas. ASB is top of the priorities. Deputy Police and Crime Commissioner Andy Pratt advised that he had been a serving officer for 28 years and has been in his current post for 11 years.

In terms of recruitment there are several intakes ongoing. The Police and Crime Commission is in discussions with the Police Chief Inspector. There are currently 50 Officers in training but they are not yet on the street. The newest intake will be focused upon serious sexual assault, but they cannot back up uniformed officers. The current policy is to avoid the youth from entering the justice system in order to avoid a criminal lifestyle. Members of the public and police officers can refer individuals to these programs. PNE have a program of events for kids and teenagers, which covers a whole lot more than just football. Contacting 101 can be difficult and there have been problems with IT, however there are 400 staff on the system, behind the scenes. An improved system is currently being worked upon.

The Police and Crime Commissioner Andrew Snowden has reopened the front desks at the police stations in Clitheroe and Leyland (9am to 1pm Mon-Fri). There is money around and if you are willing to assist the police then there are grants of up to £10k. There is a need for more peripatetic Police Officers. The Lancashire Police Team will engage with young people wherever possible. Money needs to be targeted to the local police teams.

With regard to speeding Deputy Police and Crime Commissioner Andy Pratt will send a link through to the Parish Council. Speeding assessments are carried out every 3 years, which really needs to change. Staff need to change the process. SPiD's are useful (it is noted that SRBC have plenty of these available). Speed reminder signs are also a useful resource. The Parish Council are still awaiting the 'Slow Down, Save Lives' packs from LCC. Deputy Police and Crime Commissioner Andy Pratt will chase this up on behalf of the Parish Council.

The Youth offending team requires referrals from the Police which is currently under review. You will seldom see the 2 together as Lancashire is a large County, however there is money available from Criminals so this must be used. It was advised that the local Police Team will be working out of Leyland Police Station once the building is ready for occupation.

Councillor Michael Green thanked Deputy Police and Crime Commissioner Andy Pratt for attending the meeting and advised that it was helpful that speeding issues are being addressed.

Councillor Paul Wharton-Hardman asked about the number of PCSO's in Farington and if there are any plans to recruit. Is there a need to bump up the numbers? Will the Custody suite at Leyland be in use? Deputy Police and Crime Commissioner Andy Pratt advised that there are plans to have 500 PCSO's in Lancashire. They are currently down to the lowest number ever due to PCSO's moving to become PC's. PC Walker advised that Farington should have 2 PCSO's but both had moved on to become PC's. There is now 1 part time PCSO in place. Councillor Michael Green suggested that the program is a victim of its own success. Deputy Police and Crime Commissioner Andy Pratt advised that he is working with the Police Force Inspector to keep contacts and relationships going. In terms of the Custody suite, there are currently no plans to reopen this as there are less arrests and those that are can be processed more effectively.

Councillor Shaun Bradbury asked about recent issues with Travelers and ASB. There has been contact with the Police but have been issues with the 101 respondents not understanding the local geography as they do not know the local area. There seems to be an issue with resources as Leyland has grown. There is a need for more money to go into the pot, there are insufficient resources, a police station open from 9am to 1pm, and 1 PC is not appropriate for the area. Whilst it is good to have a proactive response, it is not enough for a town of this size. Deputy Police and Crime Commissioner Andy Pratt advised that there is a meeting tomorrow and he will put together a request for resources to be made available, and keep it high on the agenda.

Deputy Police and Crime Commissioner Andy Pratt advised that although Police stations are owned by the Police and Crime Commissioner, the resources come from the Inspector. Those services that have been run down in the past they are now working to reopen. 500 Officers are needed in the next year, taking into consideration retirements and those leaving the force.

The offer is open to the Parish Council to come along and see the Control Centre. The relationships with the local Inspector and Super Intendant are also being strengthened.

Councillor Michael Green commented that there is a sense that things are moving in the right direction.

Borough Councillor Mary Green commented that when the police are contacted, they have no idea where Leyland is. There was a Street Party on Hough Lane on 05/06/2022 with no police presence. PC Walker advised that the event was planned and that SRBC provided security. Priorities mean that the Police cannot be made available.

Borough Councillor Mary Green suggested that rather than young people being in the justice system, they should be doing Community Service. Previously there were summer schemes run by having police on bikes – just an observation.

A member of the public suggested that the requirement for Police Officers to have a degree is detrimental. Deputy Police and Crime Commissioner Andy Pratt advised that this is not a requirement across the board, and moves are being made to widen the parameters for recruitment.

Deputy Police and Crime Commissioner Andy Pratt and PC Walker left the meeting at 8.13pm

Adjournment for Public Participation

Representatives from South Ribble Borough Council and other organisations may speak under this item as well as members of the public and local residents.

Councillor Michael Green welcomed the Members of Public to the main part of the meeting.

A member of public advised that there has been a repair on the footpath outside his property and it is not fit for purpose. (Saint Christine's Avenue) Councillor Michael Green advised he would look into this on behalf of the resident.

Councillor Paul Wharton-Hardman advised that there are several issues on the same street.

Phil Howarth attended the meeting to sign the Memorandum of Understanding for the use of the BTR Field Football Pitches.

The Parish Council found an issue with a clause in the agreement which will need to be amended before the agreement can be signed.

The Clerk will amend the agreement and invite Mr. Howarth to the next Parish Council meeting to sign the amended agreement.

Resolved

Ian Bruce attended the Parish Council meeting with regard to a grant application for the Leyland Play Scheme. He advised that costs have increased mainly due to the cost of supplies. Mr. Bruce is requesting funding for 20 places from the Parish Council in support of those resident at Clare House, and those refugees being supported by St Catherine's. The play Scheme is struggling financially this year, and the support of the Parish Council is greatly appreciated. There is a strategy to keep the child places within Farington, however this is mainly the only respite available to Children over the summer. It is run as a festival for Children and aims at catering for 600 Children.

Councillor Michael Green asked if the main support was provided to Clare House. Mr. Bruce advised that this is an obvious target, and not many questions are asked, however the local schools are approached such as St Catherine's and St Paul's.

Councillor Karen Walton asked how the selection of 20 places is made if you potentially have 40 applicants? Mr. Bruce advised that there is a policy of never turning away those in need, and they do have limited resources, however storage costs have taken their toll and the provision of toilets in particular have been very expensive. There are allocated resources for sports equipment, and the scheme endeavors to support every referral.

Councillor Paul Wharton-Hardman pointed out that in Farington East alone 85% attract the pupil premium and 64% are in child poverty. He will support this application.

Councillor Shaun Bradbury asked if other sources of income have been approached. Mr. Bruce advised that Progress Housing and others who can be asked for assistance with infrastructure have been approached.

Councillor Shaun Bradbury also suggested the LFA for sports equipment. Mr. Bruce advised that equipment is borrowed from schools and colleges, and the scheme approaches as many as possible. Councillor Shaun Bradbury suggested that it would be worth applying.

Councillor Michael Green suggested asking SRBC. Mr. Bruce advised that SRBC have been approached.

Councillor Michael Green asked if the hubs have been approached? Councillor Paul Wharton-Hardman and Councillor Karen Walton advised they would bring up at the hub meeting tomorrow.

Mr. Bruce advised that parking can be an issue, and that they do try to keep this and any noise to a minimum.

Councillor Michael Green thanked the Members of Public for attending the meeting and advised that further discussions would take place in private and the decisions will be advised by the Clerk.

The members of public left the meeting at 8.50pm.

Minutes of the Last Meeting

The minutes from the meeting held on 25th April 2022 to be approved as a correct record and signed by the Chairman.

Councillor Paul Wharton-Hardman advised that he stood by the public comments he has made on social media, but that he personally apologises to Councillor Shaun Bradbury regarding any political inference he may have made regarding him.

Councillor Michael Green stated that the Parish Council is no place for party politics.

Councillor Paul Wharton-Hardman advised that he disagreed on the accuracy of the minutes.

Councillor Michael Green suggested that this issue be raised under matters arising.

The minutes were agreed with 2 abstentions (Councillor Paul Wharton-Hardman and Councillor Chris Wharton-Hardman)

Under matters arising Councillor Paul Wharton-Hardman made a request to be referred to the Monitoring Officer.

Councillor Shaun Bradbury advised that he joined the Parish Council as it is a non-political organisation, and does not wish to be a part of any politics.

Councillor Paul Wharton-Hardman stated that he had been informed of a breach of the Code of Conduct.

Councillor Karen Walton advised that she has never made any political statement and that there had been a breach to the Code of Conduct, bringing Farington Parish Council into disrepute.

The request to be referred to the Monitoring Officer was proposed by Councillor Paul Wharton-Hardman and seconded by Councillor Shaun Bradbury. Councillor Michael Green refrained from voting on the matter, advising that this is a wider issue that the Parish Council cannot be held to ransom, and then attacked on Social Media.

Councillor Paul Wharton-Hardman advised that this is a matter of opinion.

Councillor Paul Wharton-Hardman advised that it may not be political but that it is naïve in the fact that there are up-coming elections in 2022.

Councillor Michael Green advised that this would be the Borough Council elections.

Councillor Paul Wharton-Hardman disagreed, mentioning the Shop Local Scheme.

Councillor Michael Green advised that the Parish Council can respond officially to this if required.

Councillor Tony Green advised of his disgust at the exchange.

Councillor Mike Otter suggested that the meeting continue.

Councillor Karen Walton requested a copy of the Parish Councils Social Media Policy.

Resolved

Councillor Paul Wharton-Hardman to confirm the Chain of Office has been passed to Councillor Michael Green

Borough Council and County Council reports

The Borough and County Council members will give an update on Borough and County Council matters affecting the Parish Council area.

Councillor Paul Wharton-Hardman advised that plans for the Farington Funday are going ahead for Friday the 19/08/2022.

Councillor Karen Walton advised that she will be attending a meeting on the 07/06/2022 regarding the Tilia Estate off Croston Road regarding flooding issues off Beconsaw Drive. Also Farington Lodges, there is £40k to be spent or lost.

Regarding the Parish Council Charter from LCC, this is welcomed as is working closely with the County Council in the future.

Councillor Mike Otter expressed his thanks to the Lengthsman Peter Heise for his work on Croston Road. He has completed a great job. Making the finished product look like new.

Perimeter path – health & safety issues – flooding issues – project phase 2 to be planned once dates are known for the play area refurbishment.

A member of the public has contacted the Parish Council regarding ASB on St Paul's Park, which he believes has resulted in damage to one of his fence panels.

The Parish Council are requested to consider a payment of £23.82 to replace the fence panel.

The issue was discussed and it was decided that although the damage is unfortunate, the Parish Council cannot accept responsibility for the fence, as the lease for the Play Area is for the open space only. Councillor Shaun Bradbury suggested that as a part of the improvements to the play area an additional fence or netting could be installed to protect the fence of 146 Croston Road.

Action for the Clerk to investigate and report on the provision of fencing along the edge of St Pauls Play Area.

Resolved

Leyland Play Scheme

Councillor Shaun Bradbury advised that consideration to the budget is Required, along with the criteria for the grants. The Parish Council can be made to feel pressurized into providing grants. There are currently 3 grants totaling £2.5k.

Councillor Karen Walton advised exploring other sources of income.

Councillor Michael Green asked if the grants are supported in principle.

All agreed

Councillor Mike Otter proposed 50% of the request from the Leyland Play Scheme. A figure of £850.

Councillor Shaun Bradbury seconded

Councillor Michael Green advised that due to the exceptional circumstances the Parish Council should fund 10 places for the Play Scheme.

Unanimously agreed.
